Hi Jim,

Just a follow-up on Brown Road - the selectmen are in favor of extending the guard rail and we will vote on 9/13 on putting up a No Parking sign on that one side. I advised the Steinmans to go ahead with placing boulders in front of the access.

I am on vacation for the next 2 weeks and wanted you to know where we were at with this. Please let Karen know if you have any questions or comments.

Thanks,
Carolyn
