

AFFIDAVIT OF COMPLIANCE

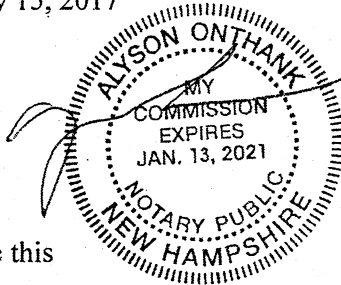

STATE OF NEW HAMPSHIRE

COUNTY OF CARROLL

I, Charles E. Teale, PE, the undersigned, being duly sworn, do depose and say:

1. I am a Principal for HTE Northeast, Inc., consulting engineers, located at 2 Cote Lane, Suite 1, Bedford, New Hampshire 03110.
2. I am a Licensed Professional Engineer in the state of New Hampshire. In that capacity I am the responsible Construction Engineer of Record for Lower Beech Pond Dam (NH Dam #D239007) located on Tibbetts Road in Tuftonboro, New Hampshire.
3. I hereby confirm that the construction work at the Lower Beech Pond Dam, located on Lots 6 and 10 on Tax Map 70 in Tuftonboro, New Hampshire has been completed in substantial compliance with the NHDES issued Permit (Permit No. 2016-D239007) and the approved plans and specifications prepared by Mr. Joel R. Carrier, EIT and Mr. Charles E. Teale, PE of HTE Northeast, Inc. including all approved revisions. The "As-Built" conditions are shown on the following attached drawings:
 - Drawing No. 3, with a latest revision date of 2/15/17 by HTE;
 - Drawing ABS-1, based on a January 2017 survey by White Mountain Survey & Engineering, Inc., dated 2/15/17 by HTE.
 - The design crest level was EL 975.6 at the center and EL 975.4 at the upstream and downstream crest edges. As-built levels range from EL 975.4 to EL 975.6 at the center and EL 974.8 to EL 975.4 at the crest edges. The design flood (50-year) peak stage is EL 973.58; a minimum freeboard of 1.2± feet has therefor been achieved.
 - Gabion wall top elevations vary from project drawings, as shown on Drawing No. 3.

Dated: February 15, 2017

Charles E. Teale, PE (No. 6487)

Sworn before me this

15th day of February, 2017
